Grocery Department

Tomatoes, Celery, Lettuce, Cucumbers, Cabbage, New Brunswick Potatoes, Turnips, Carrots, Florida Grape Fruit, large, each 15c. Maple Syrup, bottle 50c.

Calgary Power By-law Passed With Large Majority

By a most decisive vote, the citizens of Lacombe yesterday decided to accept the offer of \$65,000, made by Calgary Power Co., for the power plant and a ten year's franchise. The vote stood 181 for the by-law and 11 against. It was the largest vote ever polled on any question by Lacombe, and indicates the great interest that was taken in the matter. The Calgary Power Co., take over the electric power and light system at once, and until July will operate the town plant at the present rates charged by the town. After July the rate for lighting is to be lowered to 10c. per k.w. hour, with power at a much lower rate. It is expected that the new rates will save the citizens at least a third of their present lighting bills. Calgary Power is rushing the extension of their power lines, and at present have plenty of power for their business this summer, and by fall expect to have the plant project completed which will add several thousand horse power, and will be sufficient to supply Alberta for some years, no matter how quickly business expands. We are very fortunately situated here, and will have power available from two power lines, which will assure uninterrupted service. In fact Calgary Power is so certain that constant power will be supplied their patrons, that they contract to pay heavy damages if power is cut off for more than nine minutes in a year.

The mayor and council deserve great credit for the very able manner in which negotiations were made and brought to a successful conclusion. The interests of our citizens were safeguarded in every possible way. The heavy vote polled for the by-law, and the great interest taken, is due to the very clear manner in which Mayor Jackson laid the whole scheme before the citizens at a public meeting on Monday night, and explained many things the average ratepayer was not sure of in the interpretation of the by-law.

Thanks are also due Mr. Baxter and Mr. Planché, of Calgary Power Co., who gave several days attention to explaining everything in connection with the contract and the rates to our citizens, individually and collectively.

Mrs. (Dr.) Sharpe Died This Morning

Our citizens were deeply grieved to learn of the death of Mrs. (Dr.) Sharpe, which occurred this morning after an illness extending over a week. Deceased was one of Lacombe's pioneer residents, and was identified with several church organizations, and a leader in the W.C.T.U., and her good counsel and earnest endeavors will be greatly missed by all. Funeral arrangements have not been completed at time of going to press.

BAPTIST CHURCH

Sunday School and Bible Classes at 11 a.m.

A sermon directed especially to un-saved hearers will be delivered at 7:30 p.m. Can one be certain of being saved?

Special meetings are being held every night at 7:45 this week and next. Open to everyone. Come!

BENTLEY NEWS

Mr. and Mrs. Geo. Garries Jr., were down from Norbeck last week.

Andrew Anderson of Sunset Hill District left Sunday to look over the Peace River District and J. V. Johnson who has taken a homestead there left on Thursday last.

A son was born to Mr. and Mrs. Ralph Weiss at the Hospital on Tuesday, April 2, and a daughter to Mr. and Mrs. Paul Garries on Saturday, April 6, 1929.

Mr. F. W. Thorp and Marie Osborne took a truck load of household goods for Mr. W. L. Ferris to Kinross on Thursday, returning on Friday.

Mr. Jno. Parr of Sunset District was brought into the hospital on Saturday suffering with a bad case of rheumatism. He is reported as somewhat improved at present.

Mr. and Mrs. Carl Weiss and family returned on Monday last week from Carstairs where they had spent a short Easter holiday with Mr. Weiss's sister and family at that place.

C. F. Demron, Geo. Graham and Geo. Beddoes attended the Ball Sale in Calgary.

The social put on by the United Church on Monday evening last drew a fair sized crowd and all present had an enjoyable time. A short program was given, followed by an hour of games and contests, after which refreshments were served.

The Ladies' Aid of United Church held their meeting for April on Thursday afternoon last at the home of Mrs. Carl Weiss. Quite a few were in attendance and various business matters received attention. The report of the committee appointed to draft the constitution and set of bylaws was acted upon and adopted after being read and discussed clause by clause.

After business, the Hostess served tea and lunch.

On Saturday, March 30, Mr. and Mrs. Hans P. Hansen opened their spacious country home to the Bentley and Sunset U.F.A. locals and other friends. Mrs. Ross and Mr. Young of Millist, directors of the U.F.W.A. and U.F.A. for this district were present. Mrs. Ross gave a short but comprehensive address of the work undertaken by the Ladies' Provincial organization in regard to each subject as Education, Immigration, Co-operative marketing, Public Health and Home beautification, which was well received. Mr. Young outlined the work and aims of the U.F.A. and held the attention of his hearers. Wm. Irvine, M.P. next addressed the crowd on matters pertaining to the Federal Government. Mr. Chown, President of the Hog Pool and Mr. Alfred Haazard, vice-president of the Provincial Livestock Pool gave short addresses in regard to their organizations. About 150 were present and spent an enjoyable and profitable evening. After business was finished lunch was served.

When Mrs. J. P. Schmidt, who resides south of town had good bye to her brother, Mr. Emil Reinswig, who left this place for the U.S. some 5 years ago she little thought that his next visit to her would be by the Aeroplano route, but that is just what happened on Sunday P.M. last when he visited her for a few hours. Emil as a young lad resided near here at the Carritt and Durham Rural Schools and later the Canadian Junior College, Lacombe. Leaving there he entered the academy at Kinross, Illinois and later graduated as a nurse from that institution. He is now in the employ of Mr. Pouling, a Chicago millionaire as Private Nurse.

Mr. Pouling who is travelling for his health chartered an Air Plane at Great Falls, Montana to come to Calgary. On reaching there, they decided to take a side trip to Bentley, in order to give Mr. Reinswig a chance for a few hours visit with his sister. The landing was made without any mishap, just west of the village. Many were present to see the plane take off about 3:30 p.m. The party we understand are travelling to Spokane. Miss Eleanor Bauer, a cousin of Mr. Reinswig accompanied the party as far as Calgary on the return trip.

LOCKHART NEWS

Miss Emma Goyert spent the week and visiting friends at Bentley. Owing to illness Miss Cook was unable to return from Calgary to resume her duties at school this week, but she is expected back on Sunday.

Miss Esther Keraman is working for Mrs. R. Jeffray this month.

Mrs. E. Caldwell is spending the week in Edmonton.

Born—at the Bentley hospital on April 2nd, a son, to Mr. and Mrs. Ralph Weiss.

Mr. Charles Calkins was called to Lacombe last Wednesday to be with his mother who was very ill and died on Friday. We extend our sympathy to Mr. Calkins in his sad bereavement.

Mr. Bill Ferguson and wife of Castor were visiting friends in the district last week.

The regular meeting of the Lockhart W.L. was held at the home of Mrs. Grover Robson on April 3rd. There was a very good attendance.

After the routine business of the meeting three very good papers were read on Canadian Industries, Immigration, and Legislation.

Mrs. Jim Jeffray and Mrs. C. A. Robson were appointed chaperones to accompany the Glee Club to their camp at Gull Lake this summer.

The cultivation of the land around the hall and school for the planting of trees will be out for 1st soon. Mr. Caldwell has offered to do the cutting and will also supervise the planting.

Mrs. Wm. Ballie who has accepted a situation as house-keeper at Murrainville, was present at the meeting, and was presented with a handsome set as a token of appreciation of her help and support, while a member of the Lockhart W.L. After the meeting tea

was served by the hostesses assisted by Mrs. Beddoes. The next meeting will be held at the home of Mrs. Reed.

The Stephenson Brothers, Mr. and Mrs. Reed and Jeffray Malcolm visited Willie Jeffray on Sunday.

Mr. and Mrs. Hans Hansen, Mr. and Mrs. Ed. Hansen and family of Bentley visited at the Beddoes home on Sunday.

The annual meeting of the shareholders of the Lockhart Community hall will be held on April 13th.

The play put on by the Junior U.F.A. was very good indeed. The Skell Bros. in their impersonation of two Irishmen was a laugh to the finish. But Murphy thought what a pity to waste such a good Irish name on such a tight fisted man like O'Reilly. They should have called him McFinnish.

Mr. Robert Layton, in his double role of Tom Bell the "nerve-do" and Ole Olson's wife from Sunset was a scream. Mr. James Layton, acting as a detective would have been a pride to the professional detective had he not been locked in the tool shed by Row, the maid (Miss Marion Edwards), whose acting throughout the play was splendid. Larry Murphy (Mr. Jim Robson) had his hands full trying to keep his mother (Miss Ruth Edwards) and O'Reilly in the marriage mood so that he could marry O'Reilly's daughter (Miss Constance Fraser). Miss Esther Odenbach an old friend of the family was very good in her impersonation of Kate who always had a bright idea. This play

was one of the best ever put on at the hall and was certainly a credit to those who took part in it. Music for the dance was supplied by the Bing-Connelley and Parker orchestra.

THE LATE MRS. W. E. CALKINS

The funeral of the late Mrs. W. E. Calkins was held on Sunday afternoon from the Baptist Church, and many friends of the deceased were present to pay their last respects.

Mrs. Calkins (nee Almira Powers) was a native of U.S., having been born in Ohio on May 17, 1861, and was married to W. E. Calkins at Kingston, Mo., in 1880, and then removed to Geneva, Neb., where they resided for 20 years. The family came to Alberta in 1902, and resided in Calhoun Valley until 1910 when they came to Lacombe. Deceased leaves to mourn the loss of a loving and kind wife and mother, eleven sons and two daughters. The daughters are Mrs. H. Evernden, Leedale; Mrs. B. Moore, Leedale; the sons: A. W. and W. T. Calkins, Watford, N.D.; C. A. Calkins, Lockhart; Frank Calkins, Blackie; P. A. Calkins, Rocky Mountain House; G. C. Calkins, Ponoka; F. A. Calkins, Hays; G. D. Calkins, Champion; L. E. Calkins, Lacombe; E. E. Calkins, Medicine Hat; L. T. Calkins, Lacombe. There were also 83 grandchildren and 15 great grandchildren, besides numerous relations.

The Greatest March in all McLaughlin Buick History

THE motor-car buyer... the final judge of automobile values... has registered enthusiastic endorsement of the revolutionary advances made by the 1929 McLaughlin Buick!

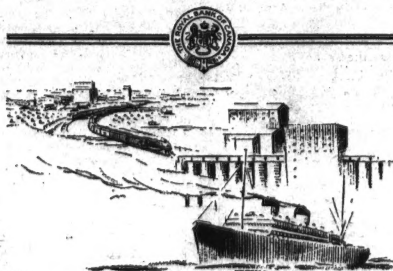

During the past month, McLaughlin-Buick sales have been 25% greater than March of last year... greater than any previous March in all McLaughlin-Buick history.

More people buy McLaughlin-Buick than any other car at or above its price... because the 1929 McLaughlin-Buick with its Masterpiece Bodies by Fisher, has unquestionably established a new standard of performance and a new order of beauty.

Get behind the wheel and get the facts!

Perry W. Pratt, Lacombe
Geo. W. Morgan, Rimbey

Addresses W.I.

W.I. ENJOY ADDRESS FROM
K. H. JONES, K.C.

A large representation welcomed Mr. E. H. Jones, K.C., when he addressed the members of the Women's Institute at their regular meeting on Saturday, May 9th. Mr. Jones spoke on the subject of Wills and fully explained the status of the wife and children where a Will was made and also where the husband and father died intestate, and pointed out the benefits derived by persons making a Will while in their normal health.

A letter regarding the Hon. E. B. Bennett's recent suggestion that all members write their Ontario friends urging them to try Alberta coal was read and the members requested to set upon this suggestion.

An appeal from the Salvation Army and a letter from Mrs. Huxley, President of Alberta W.I., asking for a resolution that the Dominion Government be requested to provide financial assistance to the Provinces in the establishment of District Health Units in rural areas, were tabled until the next meeting. Other organizations in town are to be asked to assist in a drive to obtain members for the League of Nations Local branch.

A 3-day raffle course put on by the Women's Institute, under the supervision of Mrs. Woods of the Department of Extension, was taken advantage of by a large number of the Town women, who are coming to look forward to these special courses with a great deal of interest.

BABY BEEF BRINGS RECORD PRICE

A record price was established at the Calgary Spring Show during the past week when the first prize calf in the Boys' and Girls' Calf Feeding competition sold for three dollars a pound. This calf, an Aberdeen Angus, shown by Harold Richardson of Bowden, was an outstanding winner in its class. It was purchased by Mrs. Hind of Hind's Meat Market, Calgary, and at a weight of 840 pounds, brought its young owner the handsome return of \$2,820.

UNIVERSITY FEEDER'S DAY POPULAR

A large attendance of farmers and stockmen is expected at the eighth annual Feeder's Day to be held at the University of Alberta farm on Saturday, April 13th. On this occasion the experimental and research work with beef cattle, sheep and swine which has been carried on by the Department of Animal Husbandry will be reviewed and the results of the various tests made available to any who are interested.

"BETTER SEED CAMPAIGN" SUCCESSFUL

General satisfaction is expressed throughout the province with the results of the campaign to promote the use of better seed grain recently carried on under the direction of the Department of Agriculture. A marked improvement in the quality of seed used last year was noted as the result of a similar campaign and it is hoped that a corresponding improvement will be apparent in the 1929 crop.

SOLDIER SETTLER'S FARMS BEING REVALUED

Good progress is being made in the revaluation of farms occupied by soldier settlers according to announcements made by officials of the Dominion Land Settlement Branch. A good start was made with this work last fall and inspectors of the Settlement Branch will continue their duties along this line in many districts in the province as soon as road conditions permit.

TEACHER'S ORGANIZATIONS NAME OFFICERS

Miss Edith Patterson of Calgary was elected president, C. O. Hicks of Edmonton first vice-president, and Wm. Wallace of Camrose second vice-president of the Alberta Educational Association held in Edmonton during the past week. A. J. H. Powell of Fort Saskatchewan is the newly elected president of the Alberta Teacher's Alliance with C. G. Elliott of Edmonton as vice-president. Regional representatives of the Alliance were named as follows: Calgary, Miss J. McGill; Edmonton, C. O. Hicks; North Alberta, Leslie Robbins, Waskatenau; Central Alberta, Miss E. C. Barclay; Red Deer; Southwestern Alberta, W. L. Irvine, Vulcan; and Southeastern Alberta, Mrs. J. N. Jaky, Drumheller.

YOUNG ORATORS ENTER FINAL CONTEST

Gwen Gant, age 17, of Grande Prairie and Walter MacDonald, age 18, of Red Deer were selected as the winners for Northern Alberta and Southern Alberta respectively in the finals of the Alberta division of the Canadian and International Oratorical contest on Thursday night. These two winners will later contend for the privilege of representing Alberta in the Dominion finals to be held at Toronto, following which the Canadian champion will compete for International honors at Washington.

ARE UNIVERSITIES FILLED WITH UNFIT?

Misgiving about the present state of filling universities with students

who have passed through a high school but lack any other requisite for a course in higher education appear to be spreading. In recent years there has been in evidence a positive mania for sending boys and girls to the universities. Even in the sparsely settled provinces of Western Canada, the four universities and numerous colleges, there are more applications for entrance than can be handled adequately.

While the ambition of parents to give their children a much fuller education than was possible when they themselves were young is laudable and understandable, the doubt obscures that in many cases the four years spent in an institution of higher learning is largely a wasted period. If a student regards his university course as a medium primarily for having a good time, if he lacks application in study and intellectual equipment to profit from the lectures at the end of his final term finds him a failure from the cultural standpoint and a poor risk for employers looking for ambitious and capable help.

A strong note of warning—not an isolated utterance of the kind by any means—was that sounded by Professor Quinton of the University of Washington in addressing the British Columbia Teachers' Federation this week. He did not hesitate to assert that the limit of education for the great majority of persons should be high school. He declared that in certain universities the scholars have been depressed to the level of the "semi-moron" by the influx of great numbers of essentially unintelligent students.

There is a mistaken idea abroad in the land that the possession of a university degree provides an open sesame to easy preferment in social and business life. It may do for the students who utilize their scholastic opportunities conscientiously and diligently and with a definite ambition. For the idlers and the social phobes here is speedy disillusionment in store.

CURLERS ATTENTION

The annual meeting of the Lacombe Curling Club will be held in the Town Hall on evening of Monday, April 15th, at 8 o'clock. A full attendance is requested.
Thos. Wilken, Secy-Treas.

Thos. Wilken, Secy-Treas.

In Ancient Spain and Gaul
Right up from the ancient Egyptians who practised the art of brewing earlier than 450 B.C., the Greeks and Germans used beer as a beverage and understood the principles of malting. Pliny tells us of the use of beer in Spain under the name of "cila," "corta" and "cervisia," and says: "The natives who inhabit the west of Europe have a liquor made from corn and water. They brew it so well that it will keep good for a long time."

Today Malt Beverages BEER — ALE — STOUT are considered Health Drinks.

Where BEER has once been introduced, it has generally become the national beverage. Ency. Brit. on BREWING.

15 shots Quick as a wink!

This little Stevens sure throws 'em straight and hard, whether you're sighting on a scurrying red squirrel or into a bull's-eye. And notice how smooth and easy she pumps! 15 shots, snappy as a trip-hammer. You can't beat the old Visible Loading for dead-eye accuracy, because the barrel's bored like every Stevens barrel—scrapped so smooth that the final cutting removes less than 1/1000 of an inch. That slow, painstaking method gives an accuracy that lasts. And the same care is given to every little detail of every Stevens gun—examining that handsome finish—get the perfect balance as you test her up. A Stevens is right, from muzzle to butt-plate. Finally—the price is right. So low as to be little short of amazing. Ask at your dealer's, or write us for full details of the Stevens line of rifles and shotguns.

Stevens "Visible Loading" is an accurate 22 calibre repeater. You know when it is loaded, and you know when it is empty.

EVENING
Anthem "In the Light of His Face" Wilkerson.
Solo—Selected. Mrs. Wilkes.

AT THE REX
Friday and Saturday
"The Foreign Legion"

If the measure of a great picture is gauged by its box-office appeal, the "Foreign Legion" deserves every word of praise that can be written about it. It topped Broadway receipts at the RKO Theatre where it had its New York premiere. It topped the previous week's receipts at RKO by nearly twenty thousand dollars. That's going some! It has for background the burning sands of bleak Morocco and the army posts of the Foreign Legion—most famous military organization in the world—where passion, lust and hate burn like a white hot brand—where Love lasts through trials and perils that cry men's souls—where iron-handed discipline rules and the penalty for a breach of rules is sometimes worse than death. It's a Laramie Golden Special—see it.

Monday and Tuesday
Milton Sills in "The Crash"

Wrecked trains—wrecked hearts—and a man whose courage and daring saved both. Here is a picture that glorifies the unending heroism of the railroad and tells a thrilling love story about one of its greatest dare-devils. Moments of thrilling suspense as a trainload of men race to a burning wreck. Moments of tender love as the boss of the railroads woo a business beauty. Moments of unforgettable drama as Milton Sills enacts a role as mighty as "Men of Steel."

COMING!
One of the most beautiful shows ever to be shown in Lacombe. "Lila Time." April 25, 26, and 27.

THE SALVATION ARMY
Lancaster Service Thursday night, "Ben Hur". Mr. Grover of the Lacombe School Board will take the reading. Admission 25c. and 10c.

Saturday afternoon at 3 o'clock, April 13th, afternoon tea, sale of sewing and home cooking.

On April 14th Capt. and Mrs. J. Hind will conduct their farewell meeting. Morning Session at 11 o'clock. Afternoon, Young People at 3 p.m. Evening, Salvation, at 7:30.

We thank the people of Lacombe and District for their help and support and the kindly way in which we have been received, and we want to assure you all that your help to us has been a means of helping someone else. God Bless you All.

Capt. and Mrs. J. Hind.

AT THE COSY
(The Home of Good Pictures and Good Music)
Host Gibson in "The Danger Rider." This is a fast and furious thrill drama, packed full of Romance, Action

and Speed. The story of a girl bent on reforming criminals and when she starts on foot—then the fun begins. 2 reel comedy and Fox News.
Candy matinee Saturday at 2:30.
Crazy Saturday night Jackie Coogan in "Bottoms" and a reel comedy. See the kid in his most lovable role.
Crazy Monday and Tuesday
The comedy-drama scream of the season, Lois Wilson in "The Gingham Girl." A screamingly funny musical comedy brought joyously to the film. The humorous love story of a little girl who braved the big town to save the village wise-cracker from cracking in the wrong place. The fastest comedy of the year, crammed with laughs from start to finish. You should see this picture. Also Mielke McGuire comedy.
Coming Soon
"Wings". An epic of the air, and the greatest picture of them all. Is in 15 reels with Clara Bow, Charles Rogers and Richard Arlen taking the leading parts. The picture will play here 3 days without sound at half the price of its first run in Lacombe.

TENDERS FOR COAL
SEALED tenders addressed to the Purchasing Agent, Department of Public Works, Ottawa, will be received at his office until 12 o'clock noon (daylight saving), Wednesday, May 1, 1929, for the supply of coal for the Dominion Buildings and Experimental Farms and Stations throughout the province of Manitoba, Saskatchewan and British Columbia.

Forms of tender with specifications and conditions attached can be obtained from G. W. Dawson, Chief Purchasing Agent, Department of Public Works, Ottawa; H. E. Matthews, District Resident Architect, Winnipeg; Man.; G. J. Stephenson, District Resident Architect, Calgary, Alta.; and J. G. Brown, District Resident Architect, Victoria, B.C.

Tenders will not be considered unless made on the above mentioned forms.

The right to demand from the successful tenderer a deposit, not exceeding 10 per cent. of the amount of tender, to secure the proper fulfillment of the contract, is reserved.

By order,
S. E. O'BRIEN, Secretary,
Department of Public Works,
Ottawa, April 5, 1929.

THE BIG SWING is to ESSEX THE CHALLENGER
Hear the radio program of the "Hudson-Exess Challenger" every Friday evening.
It Challenges Your Interest in These Important Ways
EASY TO BUY
For Instance, the Coach \$380 Down, and monthly Payments of \$62.50
Your present car will probably cover the entire first Payment.
The H. M. C. Purchase Plan Offers the lowest available finance terms on the balance.
EASY TO OWN
On our own streets Essex the Challenger, under competent observation, averaged 26 miles per gallon. The average owner in Lacombe can expect 22 to 26 miles and upward. Hundreds of records all over the country during "Challenger Week" prove Essex economy. Commercial users operating large fleets of Essex cars say that service and maintenance costs, covering millions of miles of operation, are lowest of any car they ever tested.

Essex the Challenger sweeps aside the barriers of price class. It challenges the performance, the style, the luxurious roomy comfort of any car at any price, on the basis that no other gives you back so much for every dollar you put in. That is why the big buying swing is to Essex. That is why motorists by thousands are switching from past favorites, and trading in their present cars for the big values Essex the Challenger gives.

Imp Sayings

A Column of Fun and Facts for Lacombe Folk and Their Friends

Every once in a while we have a chance to join in some sort of "trade at home" campaign and we will admit that such campaigns have a lot to recommend them; it has also been our observation that people do not mind buying goods from home stores, and paying for them, providing they get their money's worth.

Farming by old methods is hard, hard work, but thousands of farmers are fighting their way clear of the worst of it by using reliable McCormick-Deering Tractor power and equipment.

Things Not Wasted
The courtesy shown a customer.
Praise given a fellow employee.
Flowers sent to a sick friend.
Snow good seen in 1929 and plant it right.

With a McCormick-Deering Drill, even weeds are planted right in every furrow, at the proper depth and covered with the right amount of dirt.

There is a fortune awaiting the man who can be depended on to do garden plowing when you want him.

If you need a good Cultivator or Disc Harrows get a McCormick-Deering.

A Lacombe lady says, "It's a sign your husband needs a shave when he asks if he needs one."

A Coincidence?
Teacher: "Now children, a collision is two things coming together unexpectedly. Willie, give me an example."
Willie: "Twins."

HIGHEST AVERAGE BULL PRICE, 1928

Calgary, April 10.—The highest average price ever obtained for bulls sold at a spring bull sale was obtained at the 1928 sale, according to the thirty-eighth annual and financial statement, submitted Thursday evening at the annual meeting of the Alberta Cattle Breeders' association by E. L. Richardson. The average price was \$297; being \$5.28 higher than the previous best price which was obtained in 1917.

Other data relative to the activities of the association was contained in the report.
The 1928 officers were also elected as follows: President, W. M. Parrish, Calgary; first vice-president, John Henderson, Lacombe; second vice-president, Professor W. L. Carlyle, Directors: S. N. Mace, High River; J. L. Walters, Lacombe; E. Ward Jones, Calgary; A. S. McDougall, Champion; J. Charles Yule, Carstairs; Joseph Laycock, Okotoks; John Wilson, Innisfail; Wm. Sharp, Lacombe; Wm. Hudson, Kathryn; Roland Ness, DeWinton; O. A. Boggs, Davidland; and H. G. Morrison, Calgary.

MEADOWBROOK NEWS

We are sorry to hear that Chas. Huxford was taken to Lacombe last week with an attack of acute appendicitis.

Misses Edna and Ruby Lord and Mr. and Mrs. Herbert Woods and children were guests at Mrs. Joseph Lange Easter Sunday to enjoy the lovely dinner of roast goose.

Word has been received that Mrs. Leah Riley's sister (Mrs. Adams) of Sylvan Lake died very suddenly.

Mr. Bretz seemed pleased to see a larger attendance at church on Easter Sunday. We hope it will continue.

Miss Proudfoot taught last Wednesday after a few Easter holidays. She drove her Chevrolet sedan back with the intention of visiting her pupils' parents, but owing to such a heavy snowstorm was unable to visit at many places.

Mrs. Joseph Long and Mr. Herbert Long left last Monday to visit Mr. and Mrs. John Eadie of Rimby.

Mr. Eadie is greatly improved since his operation.

PURDY TO HANDLE WHEAT POOL ELEVATORS

R. D. Purdy, Manager of the Alberta Wheat Pool, in addition to his present duties has been appointed manager of the Alberta Pool Elevators Ltd. It is announced from the Pool head office in Calgary. Mr. Purdy's appointment fills the vacancy created by the retirement of G.

M. Hall who has occupied this position for the past 2 1/2 years. T. E. Oliver, in addition to his present duties as assistant manager of Alberta Pool Elevators Ltd., has been named assistant manager of the Alberta Wheat Pool. These appointments bring all the departments of the Pool, including the elevator system, under one central management.

MODERN UNIVERSITY BUT HUMAN FILLING STATION

Vancouver, B.C., April 5.—The tendency of education toward a standardization of practice was criticized by Prof. Edward Quintin, of the history department of the University of Washington, before the fifth session of the British Columbia Teachers' Federation.

"University education, at least is becoming a filling station," he said. "The student walks in, is oiled, greased and given a full gas tank and sent away a B.A."

The chief problem before humanity today, the professor said, was to bear up the weight of the colossal civilization with which life may be oppressed. He thought that education might help.

Mr. Quintin declared that young people received too much adulation. Experts have said they are sound at heart. All they need was time. But he was not certain.

"We don't know where we are going or what we want," he said, "we have lost all sense of values."

The limit of education for most people should be the high school, in Mr. Quintin's opinion. He said that if all students got to the university it is "ruined." In universities, he declared, the scholars have been depressed to the level of the "semi-moron" by the influx of great numbers of intrinsically unintelligent persons.

RADIO LICENSES NOT OBTAINED FINES IMPOSED

Pour owners of radios were fined \$5 without costs when arraigned in city police court Friday on charges of operating their radios without a license.

Radio license fees are now payable, it was stated, and the four were arraigned as the result of the check being made by officials. Immediate payment of radio licenses was emphasized. Licenses may be obtained from Wilson Bilton, Lacombe.

BRITISH BOYS ARRIVE FOR FARM TRAINING

The first group of British boys, forty in number, coming to Alberta during the present season under the arrangement between the Provincial Government and the Overseas Set-

tlement Board, arrived in the province during the past week. They have been equally divided between the schools of agriculture at Vermillion and Olds, where they are being given a month's practical training in Canadian agricultural methods which will fit them for work on farms in the province. At the conclusion of their month's course, another similar group is expected to arrive, and following this two groups of British young men will come forward at intervals of a month for courses of training in practical home economics before being placed as domestic farm help.

THE SITUATION IN MANITOBA

The Bracken Government in Manitoba has been saved from defeat on a vote of confidence by the Liberal members. They voted with the administration in a body, but it is not yet certain they are agreeable to entering a coalition party. If they do it is to be expected it will be on their own terms.

Premier Bracken is experiencing a bad session. Two members of his cabinet were forced to resign their portfolios because of their stock market speculations in Winnipeg Electric just before the Seven Sisters power lease was signed. The fate of the government will depend largely on the report of the Royal Commission investigating the power deal, but it is apparent that its prestige has been lowered seriously during the session. The announcement of an estimated deficit of nearly a million dollars for the coming year will not contribute to the popularity of the administration.

The handwriting on the wall points to a government defeat in the next election. The frenzied efforts of the Premier to induce the Liberals to enter a coalition no doubt were inspired by a realization of the declining fortunes of the Farmer party. The objection of a large section of the Liberal forces in Manitoba to fusion may be explainable on the same ground. A moribund administration is not the best of allies at the polls.

JOFFRE NEWS

Mr. and Mrs. H. F. Miller arrived home on Friday after spending the winter in Washington, Iowa, Chicago and Detroit. They visited a number of friends and relatives at each place and report a very pleasant trip.

The Jones Valley school has been closed for the past week as Miss Patton has the measles. We hope she will soon be well again and able to resume her teaching.

Mr. Graham Vellow of Leduc is visiting at Graham's.

The picture show entitled "The Doctor" will be shown in the Joffre hall on Friday, April 12. There will be a dance after the show.
